

Together We LEARN (Learning, Enjoyment, Achievement, Respect, No Negativity)

WEEKLY NEWSLETTER— 5th November 2021

ATTENDANCE

	Snowy Owls	Kestrels	Red Kites
Week	97.23%	100%	91.43%
Year	95.75%	96.28%	95.0%

Each week we publish the attendance from September for each class. Our aspirational target for each class is 97%. **Congratulations to Kestrels for 100% attendance this week**

Welcome and Welcome Back

We would like to welcome you all back to school after what we hope was a relaxing break and also give a warm welcome to Billy, Charlie and family, who started with us this week. They have settled in effortlessly and are now well and truly part of our Kettlesing family.

Children in Need—19.11.2021

This year for Children in Need the School Council have decided that the children and staff should come dressed in their pyjamas or onesies to raise money for this very worthy cause. We will be asking for a £1 donation for this event and we will have the usual games and stalls—more details to follow

Poppy Appeal

We are once again supporting the Poppy Appeal in school. Items will go on sale next week and range from 50p-£2. If your child would like to buy something from the Poppy shop please can we ask that they bring their money in a named envelope and hand it to their class teacher. Thank you in advance of your support.

Uniform Reminder

Please may we ask you to ensure that your child's uniform and PE kits are clearly labelled with their name so that they can be easily identified.

Good Work Certificates go to...

Lulu and Kate, Freya F and Alexander

DATES FOR THE DIARY

DATE	EVENT

Stars of the Week

Billy

For settling in so well this week.

Willow

For her continued effort with handwriting and reading and for being a lovely friend

Lily D

For her positive attitude and determination.

Safeguarding

Bonfire Night

Fireworks are explosives which burn at extremely high temperature and cause serious injuries. They need careful handling and storage. We would always recommend attending an organised fireworks display but if you are holding your own display we advise you to follow our tips below.

CONSIDER

- Consider attending an organised display, they are much safer for you and your family

ALWAYS

- Always buy fireworks from a reputable seller, every firework should have a CE mark on them to state they have passed the required safety standards
- Always keep fireworks in a closed box and use them one at a time.
- Always read and follow the instructions on each firework using a torch if necessary.
- Always light the firework at arm's length with a taper and stand well back.
- Always keep naked flames, including cigarettes, away from fireworks.
- Always direct any rocket fireworks well away from spectators or flammable objects such as bushes and trees.

NEVER

- Never return to a firework once it has been lit.
- Never put fireworks in your pocket and never throw them.
- Never use paraffin or petrol on a bonfire.
- Never let children play with fireworks.
