30th November 2023

Dear Parents and Carers.

As we come the end of the most wonderful term at school it would be super to hear some of your thoughts about school this academic year. We hugely appreciate the positive comments with regards to school life, recent changes this year, school developments in place, staffing, curriculum and your children's experiences along with any supportive comments and thoughts around development as we always look to work with you to action positively in any improvements. Please don't underestimate the impact feedback has on staff and school. With this in mind we would kindly ask that you please spend a few moments filling in this questionnaire at this busy festive time - the questionnaire will close on Monday morning. The answers are 'free text' and so please do add any comments you may have.

Thank you so much for your kindness and support this term as I lead from a year of 'interim' and significant change to one that is substantive, settled and hugely successful. This term may be one of the longest and busiest in the year: with mornings/evenings cold and dark however our schools are warm and bright places to be and an absolute pleasure to lead.

I will see you at all the festive events however want to wish you all a very, merry Christmas and wonderful New Year.

Warmest regards,
Miss Kirkman
