

Together We LEARN (Learning, Enjoyment, Achievement, Respect, No Negativity)

WEEKLY NEWSLETTER– 11th February 2022

Message from the Head

I hope you are all looking forward to the weekend and have had an enjoyable week.

Mental Health Week

This week our children have been taking part in mental health activities to support Mental Health week.

The theme of growing together and being unique has really shone through in all the learning I have witnessed in school

Staff have been busy purchasing new resources and provision to develop their classroom environments and outside spaces. This also ties in with our new school curriculum where staff are purchasing books and provision which supports the foundation subjects and topics they plan to deliver after half term. All this is to ensure that our children have the best quality learning experience.

Next week will be the arrival of the large skip! We are having a clear out in school and are looking for strong volunteers who can help move furniture and tidy up different areas around school. If you are interested in helping us, please contact the school office.

Thank You!

Thank you to the PTA who have kindly begun work in reorganising our school library.

Year5/6 Residential

May we remind parents to complete the online consent form no later than Friday 18th February

I look forward to seeing you all at parents evening next week,

Holly Whyte

ATTENDANCE

	Snowy Owls	Kestrels	Red Kites
Week	93.33%	96.43%	96.88%
Year	88.89%	90.14%	90.72%
